

On-Line Ordering Basics

How do I order online?

Send an email to stmpsscrip@gmail.com to request log-in information. We will email you an invitation through the ShopwithScrip website. If you have an online account already set up through another school, let us know and we will send you our enrollment code so you can add STM to your current account and toggle between schools to determine where your fundraising dollars will be attributed. You will need the enrollment code to add STM and you will have to sign up for PrestoPay, if you haven't already done so (or use your credit card for payment). If you already have PrestoPay, we will need the 4 digit authorization code you were given at the time of set-up, **not** the 4 digit security code you created.

We DO NOT accept checks for payment of online orders - ONLY PrestoPay or Visa/Mastercard (new this year)

PrestoPay is ShopWithScrip's online payment system. When you use PrestoPay™, your order payment is transferred securely via ACH electronic debit from your checking account. Your account is secured by a 4-digit code you create at the time of set-up. There is a \$0.15 charge for each online order. There is a 2.6% fee for each credit card transaction. A single online order can include many items.

When ordering online, you can choose ScripNow, ReloadNow or you have the option of ordering physical cards.

Online ordering from Great Lakes is called ShopwithScrip. Electronic gift cards are available from many of their retailers, and can be ordered and printed from your ShopWithScrip® account. The ScripNow eCard is delivered to your ShopWithScrip account in minutes, 24 hours a day, 7 days a week. Print the certificate and redeem it in stores, or copy and paste the code at checkout to apply to an online purchase. You can also order and redeem ScripNow right from your phone (for many of the retailers) using MyScripWallet.com.

ReloadNow is the ability to add funds to a Scrip card you currently have (must be a card purchased from Great Lakes/ShopwithScrip). You'll simply input the card number and your money will go right to the card. This also works for cards you might keep in an app such as a Starbucks card.

Physical cards can be ordered online and either picked up during our regular selling times or via the Wednesday envelope delivery once a month during the school year. There is a separate Wednesday envelope authorization form that will need to be filled out to use this option.

What is MyScripWallet?

MyScripWallet is optimized to make it much easier to use on your phone. It will also include more information such as which retailers won't accept redemption from a phone or mobile device. MyScripWallet is not an app you can download, but if you navigate to MyScripWallet on your phone's web browser you can add it to your home screen for easy access in the future. MyScripWallet uses the same log-in as your ShopWithScrip account.

The ShopWithScrip website has many frequently asked questions and answers, but if you still have questions, please don't hesitate to email us at stmpsscrip@gmail.com.
