

# 3 - 2 - 1 BOOK FAIR! BLAST OFF WITH BOOKS.

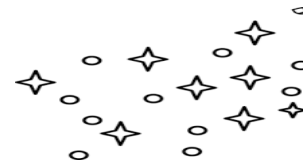

*Open a book and you open a world of infinite possibilities. Books can take you to the highest places of our atmosphere, to the outer limits of space, and beyond. Every time you open a book, your imagination blasts off to a new world created by the author. Are you ready for lift-off?*

*Get ready to shoot for the stars at Book Fair, Saturday, January 27 to February 2nd. Preview day will be Friday, the 26th.*

*What sort of galaxy-sized adventure awaits you? Draw a bookmark on the left to show how you will blast off with books at this year's Book Fair. If outer space is alien to you, draw a bookmark to show your favorite book, or one to encourage your fellow space travelers to read.*

*TWO bookmarks from each class K-8 will be chosen to win up to \$10 to use at Book Fair AND the winning bookmarks will be color copied to be given away at Book Fair, so use an infinite number of vivid colors! Prepare for lift-off and get working on your bookmark today.*

**2023 STMS BOOK FAIR**

FIRST NAME:

GRADE:

*Entries are due to Miss Watters by Friday, January 20th, 2023.*
