*We didn't realize we were making memories,
we were just learning and having fun!*

STMS students have been creating a year full of precious memories. These memories will be put into our STMS yearbook.

Each yearbook will be a 68-page soft cover, full-color book highlighting all the special moments captured at STMS this year. Each class will feature the school pictures of everyone in the class and candid photos taken throughout the year. Plus there will be pages devoted to clubs, sports, and all the memorable events of the year. You won't want to miss out on these special memories.

To get yours, send exact cash or checks payable to STMS along with the order form below.
