

Summer Learning

Choose at least 1 activity from each category to complete throughout the summer. Once you have done it, have your parent sign it when it is completed. You can receive an extra 2 points for each activity that you do by bringing a picture back with you to school!

5 points	Parent Initials
Build a fort with a friend.	
Jump on a trampoline or jump rope for as long as you can. Write down how long you did it for.	
Do a random act of Kindness.	
Read 3 books outside, either you read or have your parent read to you.	
10 Points	
Paint rocks that you found in your backyard and put them in places where your family or friends might find them.	
Make an obstacle course in your yard and then challenge someone to see who can do it faster. You can use chalk, sticks, rocks or whatever you can find.	
Write all your numbers 0-100 on a separate sheet of paper, use your best handwriting.	
Make an ice cream sundae with your mom or dad.	
15 Points	
Go to the beach and make a pattern with different shells you find.	
Write a list of words that rhyme.	
Make a colorful and crazy design with chalk outside by your house.	
Plant a seed, take care of it, and watch it grow.	
20 Points	
Go to a lake or pond and look for animals.	
Write 5 sentences on a separate sheet of paper about what you want to be when you grow up and why.	
Go to the Zoo with your family.	
Write Mrs. Conklin a letter telling her something important about yourself.	

Reflection

Draw about one of the activities that you did from the list.

Remember to use your best drawing AND use nice coloring.
