17 When to Order

June–September is our busiest season. If you need uniforms before the school year starts, order 1–2 months in advanced to avoid delays!

Custom Orders

All plaid items are custom-ordered in bulk per school. It takes our factory 3–4 months to complete the manufacturing process. We try to stay ahead of this to ensure that our customers don't have a delay but it's always a good idea to place your orders early.
