SUMMER IS HERE!

“Summer is here!” Jack shouted as he ran into Anna’s room. “Wake up, wake up, summer is here!” Jack said as he tried to get Anna to wake up. Anna woke up excited about summer too. Both kids ran downstairs to eat breakfast when Anna realized she didn’t feel very good. Oh no...sick on the FIRST day of summer? Anna’s mom took her temperature and sure enough Anna was sick. Anna was so upset and so was Jack. They had planned a really fun summer day to celebrate and now those plans would have to wait. How would they enjoy the first day of summer if they couldn’t go swimming, get ice cream, or play with their friends? Anna headed to her room to rest. Jack watched TV anxiously waiting for Anna to feel better. As Jack was watching his favorite show, he had an idea. He decided they could still have a fun day! Jack gathered up all of their favorite board games and headed to Anna’s room. Jack and Anna played games the rest of the day. They had a great time even though they didn’t get to do all of the things they had planned for their first day of summer.
